Further to the discussion at Full Council on 19 November 2014, this meeting has been convened to consider a way forward for the Playschemes (Minute Cl14/064 refers).

Since the Council meeting, it has been noted that, in certain circumstances, registration of Playschemes (and therefore inspection etc.) is not required if the "care "is provided at a school and is incidental to the provision of education. Clarification has therefore been sought from the Care and Social Services Inspectorate Wales on how this might impact on the Council's Playschemes. At the time of publication of this agenda, a response remains awaited. Any advice will therefore be reported orally. In the event that this advice confirms that the Council's Playschemes remain subject to the registration and inspection regime though, members are asked to consider the attached report.
