Forthcoming Events

4. **Forthcoming Events**

To remind members of the following upcoming events and discuss any additional associated arrangements. All Members are encouraged to attend these events.

- Primary Schools Choral Festival 1, 2 and 3 March 2016 at the Congress Theatre.
- St. David's Day 1 March 2016

The function taking place at Greenmeadow Golf Club (see below) will, as usual, form part of the Council's St David's Day celebrations with table displays of daffodils and Welsh dishes on the menu.

The Chairman will hoist the Red Dragon flag outside the Council's offices at 9.00 am on Tuesday 1 March 2016.

- An Evening to Celebrate Cwmbran & its Communities:
5 March 2016 at Greenmeadow Golf Club on 5 March 2016.
- Armed Forces Day 2016

In accordance with the pattern established in 2015, the Council's commemoration of Armed Forces Day will place during Armed Forces Week, on Wednesday 22 June 2016. Initial discussions have already commenced with local veteran's organisations and clergy.

5. Big Event 11 June 2016

A number of opportunities exist to help celebrate HM the Queen's 90th Birthday. The anniversary will culminate in a weekend of celebrations, including street parties, on the 11 and 12 June 2016.

The Big Event takes place on Saturday 11 June 2016 and the Council will, as usual, have a lively presence.

This year, rather than ask visitors to our stand to sign a Visitors' Book, they could be encouraged to sign a giant birthday card to be sent to Her Majesty by the Chairman on behalf of the community of Cwmbran. There could be scope to include a photograph of the Council at work.

This would be a suitable and cost effective way of recording the Council's congratulations to Her Majesty. It would also provide a lively means of engaging with the public and encourage them to visit our stand, where information about the Council and its services would be available. Support in relation to the production of the card has been offered from one of the Council's existing suppliers.

It is **recommended** that the above proposal is supported.
